This is an invitation to all “New York State incorporated chapters of nationally or state recognized, not-for-profit organizations of home inspectors” to join The New York State Association of Home Inspectors (NYSAHI). We need additional member organizations to help with on-going licensing and regulation issues. Each applying chapter must have at least fifteen members, per our bylaws.

The New York State Association of Home inspectors (NYSAHI) is an all volunteer not for profit organization formed in 1999 by home inspectors across New York State. The director at large represents our members who are not affiliated with one of the “participating organizations”.
